

Rapid Repair Rally 2026

'Run to the Riviera!'

Sponsorship Opportunities

Event Overview

The Rapid Repair Rally is back for 2026 with a brand-new theme: 'Run to the Riviera'.

In the name of charity, industry professionals, repair specialists, suppliers, and enthusiasts will come together for two days of competition, challenges and networking, concluding in a beachfront-style gala dinner and awards celebration.

In June, 20 teams will make their way from central England to the South Coast, tackling creative challenges along the route before arriving at the English Riviera. Day 2 will consist of more fun and challenges closing the event with a themed gala dinner.
